AMENDMENT

Hon. Commissioner of Patents
Washington, D.C. 20231

Sir:

In response to the outstanding Office Action dated May 8, 2002, Applicant requests entry and consideration of the amended claims and the arguments for patentability set further herein.

IN THE ABSTRACT:

Please see the attached Abstract submitted on a separate sheet in accordance with the rules.

IN THE CLAIMS:

Please amend the claims as follows:

1. (Amended) A method of registration in a telecommunications system by a mobile station, which system comprises a home location register for maintaining subscriber data and supports a first network and a second network, the method comprising:

maintaining the mobile subscriber data in the home location register, and sending, from another network element, a message to the home location register or requesting the mobile subscriber data;

the home location register maintaining an access parameter which indicates whether the mobile subscriber is entitled to use the first network, the second network or both networks;
